

# Jaewon Jang

Master student, DDFE Lab  
100, Inha-ro, Michuhol-gu, Incheon, Republic of Korea  
(+82) 10-3193-5624 | [poroparo5624@gmail.com](mailto:poroparo5624@gmail.com)  
[github.com/FluidicEnergy](https://github.com/FluidicEnergy) | [linkedin.com/in/jaewon-jang-895785252](https://linkedin.com/in/jaewon-jang-895785252)

## Education

---

**Undergraduated student**, INHA University  
Incheon, S.Korea | Mar. 2018 - Feb. 2025

- Mechanical Engineering
- GPA: 3.95 / 4.5
- Major GPA: 4.12 / 4.5
- Total Credits: 150

**Master student**, INHA University  
Incheon, S.Korea | Mar. 2025 - Present

- Mechanical Engineering

## Experience

---

**Undergraduated student**, INHA University  
Incheon, S.Korea | Mar. 2018 - Feb. 2025

- Object classification (human, vehicle, and labeled/unlabeled wastes) with YOLO
- PEMFC 0-dimensional modeling with MATLAB - calculates Ohmic, Concentration losses
- Convolutional Neural Network based Dynamometer Driver - Simulating and performance checking with WLTC cycle
- Pollution separate in pipe fluids - Construct IOT sensor system with Node-RED
- Physics-informed Neural Networks for prediction of steady-states Airfoil flowfields

**Master student**, DDFE Lab. (INHA University)  
Incheon, S.Korea | Mar. 2025 - Present

- Generative AI for prediction of wafer-scale process non uniformity @SAMSUNG Inc.

**Squad leader**, Ground Operations Command at Republic of Korea Army  
Yongin, S.Korea | Feb. 2020 - Aug. 2021

- 20mm Vulcan Anti-Aircraft Gun Operator & Administrative Clerk

## Skills

---

- **Programming Languages:** Python, MATLAB, C++ (Basic)
- **Frameworks/Libraries:** PyTorch, scikit-learn, NumPy, Node-RED
- **Tools:** LaTeX, OpenFOAM, PointWise,

## Awards and Honors

---

- 2022-1 Vertically Integrated Projects, Grand prize, Inha University (Jun. 2022)
- 2022-2 Vertically Integrated Projects, Grand prize, Inha University (Dec. 2022)

- 2022 Inno Think Mackathon, Grand prize, POSCO EnC (Jan. 2023)
- 2024 ICT Convergence Project Competition, Participation Award, NTREX (Jul. 2024)
